Dinner Cruise on The Biscayne Lady

South Florida is most magical when seen from the emerald waters that surround it onboard a luxury yacht charter. Experience luxury, comfort, flavorful menu items, and first-class customer service as you enjoy a delicious meal and local sounds of the 5-piece Bryan Gonzalez Band while cruising on a 100 ft yacht! The Biscayne Lady is a \$5 million, 380 passenger luxury yacht that offers the most stable and comfortable cruising experience on Biscayne Bay. The yacht boasts three grand decks, to include the sky deck, with a nearly unobstructed 360-degree panoramic view of the South Florida coastline. This 3-hour cruise will take you through the Biscayne Bay where you will enjoy the beautiful Miami skyline, South Beach, Star Island, Fisher Island, the Port of Miami, and mansions of the stars!

When we arrive on the Biscayne Lady, we will enjoy welcoming hors d'oeuvres such as a variety of imported and domestic cheese with distinctive crackers, and a delicious display of assorted seasonal fresh fruit. For the main course there will be a choice of juicy Top Sirloin roast beef or succulent Jewels of Newburg, fresh braised carrots, mashed potatoes and salad. A vegetarian selection of creamy Fettucini al Vodka will also be available. For desert there will be the chef's assortment of gourmet cakes and pies!
