Meeting Minutes/Significant Issues/Comments:

The meeting was called to order on March 13, 2007 at 3:15 p.m. in the Lincoln 2/3 Room of the Hilton Hotel in Dallas, Texas.

The meeting began with introductions of those in attendance.

The chairman asked if anyone was aware of any patents that might affect the development of this standard. No patent claims were made.

The minutes of the previous meeting in Montreal, Quebec, Canada were reviewed and approved.

The remainder of the meeting consisted of a review and commentary on Draft D6-2007, dated February 16, 2007 of the document. No comments were received. This Draft will be submitted for balloting.

The chairman advised that the invitation to ballot is presently open and will close on April 6, 2007.

The meeting was adjourned at 3:30 p.m.
